# GREEN INFO

## Environmental Information Service

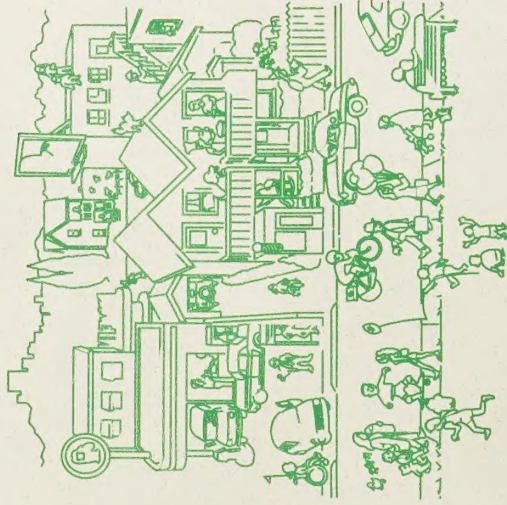

**Providing information  
to help the community  
"Go Green"**

Offered at the  
Hamilton Public Library  
Central Branch First Floor

## WHAT INFORMATION IS AVAILABLE ?

- practical tips on how to be a "green" consumer
- the latest on current environmental issues such as global warming and preserving the ecosystem
- how to improve energy efficiency and water conservation
- following the 3R's: reduce, reuse, recycle
- examples of community action plans to improve the environment

*You can learn how to "green up" your home and your community*

## GREENINFO ENVIRONMENTAL INFORMATION SERVICE

Through GREENINFO, you have access to resources that educate and encourage positive action in improving the environment.

An Environmental Information Specialist is available to assist you in finding what you need.

## FOR THE BUSINESS COMMUNITY!

The GREENINFO service offers your business current and accurate information on:

- waste management planning
- pollution prevention
- environmental legislation
- hazardous waste handling and disposal
- environmental products and services
- business opportunities in the environmental sector
